2.49 acres located on the busy corner of CR 315 and Main Street. Currently zoned R-2 which permits single family residence, but there is potential to rezone for commercial use. The parcel offers 500 feet of highway frontage on CR 315 and would be ideal with a zoning change for any number of commercial opportunities. Buyers should confirm with Putnam County Building & Zoning potential uses and rezoning process. Priced well below similar properties this is your chance to make a splash in this growing community!
